General Department, Bangalore.

Subject —

Allowance of Rs. 15/- per month to the Health Inspector for attending to compost work in Chintamani Municipality.

SIR

I have the honour to forward herewith the report received from the President, Municipal Council, Chintamani with his No.H.C.119/48-9 dated 2nd March 1949 on the subject mentioned above and to state - that Chintamani Municipal Council have taken up the compost scheme for preserving manure with effect from 1st December 1948. The Health Inspector of the Municipality has been entrusted with the supervision of this work. The official has prayed for the grant of a suitable remuneration to him for attending to this additional work The - Municipal Council at their meeting held on 31st January 1949 have resolved that an allowance of Rs. 15/- per month may be sanctioned to him with effect from 1/12/1948, the cost being met from the closing balance of the Municipality during the current year and provision made in the budget in guture.

The President, Municipal Council, Chintamani reports that 5040 cubic feet of manure has already been produced and it has not been sold as it is not yet ripe. The probable monthly income from this source is expected to be about Rs. 100/- which will result in a profit, as no extra establishment has been entertained for the work. Government in their letter No.L.102-10 dated 3rd July 1947 have directed that all such cases of granting remuneration to the official in-charge of compost work may be sent to Government for final orders. As this work involves additional strain to the Health Inspector, it is reasonable to pay the allowance recommended by the Council. I request you kindly to obtain sanction of Government to the proposal

to the proposal of the Municipal Council, Chintamani to pay a remuneration of Rs. 15/- per month to the Health Inspector for attending to compst work.

Yours faithfully,

For Deputy Commissioner,
Kolar District.
